Current Projects with significant bicycle and pedestrian impacts

Bay Meadows Phase II: The project includes the removal of the Bay Meadows Horse racing track to be replaced by a transit oriented mixed use development. This project has started.

Information at: <http://www.cityofsanmateo.org/index.aspx?NID=1039>

Hillsdale bicycle/pedestrian Bridge: The plans are complete, with construction to start when funding has been secured.

Hillsdale Station Area Plan: This plan provides the framework of compact and sustainable development in the area surrounding the Hillsdale Caltrain station, including bicycle provisions.

More information at: <http://www.cityofsanmateo.org/index.aspx?NID=1945>

El Camino Real Master Plan: This is a vision for El Camino Real from 92 south to Belmont.

More information at: <http://www.cityofsanmateo.org/index.aspx?NID=1308>

Station Park Green: This is the project to redevelop the K Mart site into a multi use transit oriented development. Impact upon bicycle is access to the Caltrain station. More information at: <http://www.cityofsanmateo.org/index.aspx?NID=1877>
